(b-1) The commissioner shall reduce the amount of maintenance taxes imposed by the district that are obligated to be paid under Subsection (b) for a year by the amount, if any, by which the district is required to reduce the district's local revenue

 46-6 ~~rule [of the State Board of Education]~~. After determining the
 46-7 amount of a district's share for all students for which the district

 46-9 payments of foundation school funds payable to the district. Each
 46-10 deduction shall be in the same percentage of the total amount of the
 46-11 district's share as the percentage of the total foundation school
 46-12 fund entitlement being paid to the district at the time of the
 46-13 deduction, except that the amount of any deduction may be modified
 46-14 to make necessary adjustments or to correct errors. The
 46-15 commissioner shall provide for remitting the amount deducted to the
 46-16 appropriate school at the same time at which the remaining funds are
 46-17 distributed to the district. If a district does not receive
 46-18 foundation school funds or if a district's foundation school
 46-19 entitlement is less than the amount of the district's share under
 46-20 this section, the commissioner shall direct the district to remit
 46-21 payment to the commissioner, and the commissioner shall remit the
 46-22 district's share to the appropriate school.

46-23 (f-1) The commissioner shall determine the total amount
 46-24 that the Texas School for the Blind and Visually Impaired and the
 46-25 Texas School for the Deaf would have received from school districts
 46-26 in accordance with this section if the following provisions had not
 46-27 reduced the districts' share of the cost of providing education
 46-28 services:

46-29 (1) H.B. No. 1, Acts of the 79th Legislature, 3rd
 46-30 Called Session, 2006;

~~(f) [(j)] A school district that provides an extended year program required by federal law for special education students who may regress is entitled to receive funds in an amount equal to [75 percent, or a lesser percentage determined by the commissioner, of] the basic allotment, or, if applicable, the sum of the basic allotment and the allotment under Section 48.101 to which the district is entitled for each [full-time equivalent] student in average daily attendance, multiplied by the amount designated for the highest tier of intensity of service for which the student qualifies [student's instructional arrangement] under this section, for each day the program is provided divided by the number of days in the minimum school year. [The total amount of state funding for extended year services under this section may not exceed \$10 million per year.] A school district may use funds received under this section only in providing an extended year program.~~

After deducting the amount withheld under this subsection from the total amount appropriated for special education, the commissioner shall reduce each district's allotment proportionately and shall allocate funds to each district accordingly.~~

(h) Not later than December 1 of each even-numbered year,

the commissioner shall submit to the Legislative Budget Board, for purposes of the allotment under this section, proposed weights for the tiers of intensity of service for the next state fiscal biennium.

Section 1412(a)(18) and maintenance of local financial support under applicable federal law.

(b) For the 2026-2027 school year, the commissioner shall determine the formulas through which school districts receive funding under Sections 48.102 and 48.1021. In determining the formulas, the commissioner shall ensure the estimated statewide amount provided by the sum of the allotments under Sections 48.102 and 48.1021 for the 2026-2027 school year is approximately \$350 million greater than the amount that would have been provided under the allotment under Section 48.102, as that section existed on September 1, 2025, for that school year, calculating both amounts using the basic allotment in effect for the 2026-2027 school year.

(c) Each school district and open-enrollment charter school shall report to the agency information necessary to implement this section.

(d) The agency shall provide technical assistance to school districts and open-enrollment charter schools to ensure a successful transition in funding formulas for special education.
